REGION IX
Underground Storage Tanks Program Office
75 Hawthorne Street (WST-8)
San Francisco, CA 94105

INTERNAL MEMORANDUM

FROM: W. R. Guggenheimer *no file.*

TO: NAV-318 File, Little Water Express #522 (former Tocito TP.),
Littlewater, NM

SUBJECT: Administrative No further Action (NFA)

DATE: February 28, 2008

PAGES: One

This memorandum refers to the removal of three underground storage tanks (USTs) on or about October 15, 2002 at the Red Mesa Express #522 formerly Tocito Trading Post.

Based on our file review and discussions with the Navajo Nation EPA (NNEPA) this site does not appear to pose a current threat to human health and the environment. Therefore, EPA Region IX and the NNEPA are not requiring further action at this site.

W. R. Guggenheimer, Engineer, USTPO
