Dear Mr. Harriman:

The U.S. Environmental Protection Agency (EPA) has received your letter dated March 23, 1992. This letter provided information regarding the removal of the underground storage tank (UST) on April 18, 1991, from the Gila River Indian Community Site on the Gila River Reservation.

The information submitted in the March 23, 1992, letter has assisted EPA in assessing the status of this site. This site does not appear to currently pose a threat to human health and the environment. EPA is not requiring any further action at this time. Please be reminded that the EPA and the Tribal Authorities must be notified immediately if another release should occur and thirty days prior to the scheduled date of removal. If you have any questions regarding this site, please contact Matthew Small at (415) 744-2078.

Sincerely,

Patricia Eklund, chief

Office of Underground Storage Tanks
