INTERNAL MEMORANDUM

**FROM:** W.R.Guggenheimer, USTPO  
**TO:** NAV-039 File, Old Warren T.P. Kayenta, AZ  
**SUBJECT:** No further Action (NFA)  
**DATE:** January 30, 2008  
**# PAGES:** One

This memorandum refers to the apparent removal of one 1,000gl undergrounds storage tank during the year 1990 at the above site, located on land of the Navajo Nation.

Based on our file review and discussions with the Navajo Nation EPA (NNEPA) this site does not appear to pose a current threat to human health and the environment. Therefore, EPA Region IX and the NNEPA are not requiring further action at this site.
