Dear Mr. Shirley:

This correspondence refers to your letter dated February 2, 1998 addressed to Norma Cady of the Navajo Nation Environmental Protection Agency regarding the final closure documents for the Shirley Trading Post located in Lupton, Arizona on land of the Navajo Nation.

The information submitted previously and the certificate of tank destruction that you provided have assisted the U. S Environmental Protection Agency (EPA) in assessing the status of this site. Based on our review of your submittals, EPA is not requiring further action at this time.
