EPA Metadata Editor 3.2: Questions and Answers

Does the EME Importer insert the "metadata imported" text that the ESRI importer does?

No.

How can I add contact information to the EME database?

Contact the EME team at edg@epa.gov to request the information that you'd like to have added. The EME team will be reaching out to EPA individuals to request updated contact information before the EME 3.2 is released.

When will the EME 3.2 be released?

The EME team is currently projecting a release date of November 2012. Please contact the EME team at edg@epa.gov if you'd like to participate in the user testing program.
