Subject: Closure of Circle K Store #01042, Kayenta, AZ [REDACTED]

Dear Mr Trotter:

This correspondence refers to the closure assessment report, dated March 3, 2005, that was prepared by ACT Associates Inc. for Circle K Store #01042, located in Kayenta, AZ, on land of the Navajo Nation.

The analytical results for soil samples collected at the UST site indicate no hydrocarbon concentrations above appropriate EPA, Region IX or Navajo Nation EPA (NNEPA) soil cleanup levels. The information submitted has assisted EPA in assessing the status of this site, where three USTs were removed on September 25, 2001. Based on this data, this site does not appear to pose a current threat to human health and the environment. Therefore, EPA and NNEPA are not requiring further action at this time.

Please call Walt Guggenheimer of my staff at (415) 972-3377, or Henry Haven at the NNEPA at (928) 871-7997, if you have questions or need more information.

Sincerely,

Steven C. Linder, P.E., Manager
